Cold Chain Solutions

Balmer Lawrie with its five Cold Chain Units at Medchal (Hyderabad), Rai (Haryana), Patalganga (Navi Mumbai) and Chhatabar (Bhubaneswar) offers one-stop solutions to all cold chain requirements under the brand LOGICOLD. With a fleet of its own temperature controlled vehicles, the Company has the expertise to handle all products in the -25°C to +25°C range. It serves leading brands, catering to almost all industry verticals such as QSR chains, confectionary, food processing, pharmaceuticals, meat or poultry, fruits and vegetables. The Company believes in going that extra mile to ensure that your products are delivered on-time and in prime condition.

Warehousing & Distribution

Balmer Lawrie has Warehousing & Distribution (W&D) operations in Kolkata and Coimbatore. Warehousing & Distribution, Kolkata, has traditionally been a stockyard operator specialising in ferrous material handling. In recent years it has forayed into modern warehousing and distribution services with two units in Kolkata (W&D-HRC & W&D-Sonapur). Located in Kanuvai and close to major industries, W&D Coimbatore offers all essential services for warehousing operations.

WE TAKE CARE...

Container Freight Station

Balmer Lawrie has three state-of-the-art Container Freight Stations (CFSs) in Mumbai, Chennai and Kolkata with warehousing and distribution facilities in Kolkata and Coimbatore. This is testimony to our ability to successfully handle a whole range of cargo promptly and safely 24 x 7. The CFSs are fully equipped for secure handling and on-time delivery of cargo, whether it is over-dimensional, perishable, temperature-sensitive or standard cargo.

CFSs are AEO certified with ISO 9001:2008, ISO 14001:2015 and OHSAS 18001:2007 accreditation.

Mumbai CFS

- CTPAT certified
- Mumbai CFS commenced operations in the year 1999
- 26 acres concrete / paver blocked floodlit yard
- Located within 14 kms of the JN Port [Nhava Sheva] and connected with NSICT, NSIGT, JNPT, GTI terminals
- Fleet of 13 owned trailers and 150 trailers on long-term contract for movement of containers
- 84,000 sq.ft. covered warehouse

Chennai CFS

- Chennai CFS started operations in the year 2000
- Spread over a vast area of 22.78 acres
- Strategically located, 12 kms from Chennai Port and 19 kms from Ennore and Kattupalli Port
- 100 trailers on long-term contract for movement of containers
- 85,000 sq.ft. of covered warehouse for export and import cargo

Kolkata CFS

- Established in 1994, Kolkata CFS was the first to be set up in the Eastern Region
- Spread over a vast area of 16 acres
- Strategically located, 2.5 kms from Kolkata Dock
- A dedicated Rail Siding with Merry-Go-Round facility with its own Rail Flats
- The CFS is connected to Kolkata Dock System & Haldia Dock Complex by Rail as well
- Total covered warehouse space of 80,000 sq.ft.

360° INTEGRATED LOGISTICS SOLUTIONS

Freight Forwarding

SEA

With expertise in handling explosives, over-dimensional cargo, time-sensitive, temperature controlled and specialised project shipments, we also cater to containerised (FCL / LCL) bulk, break bulk and coastal requirements.

AIR

We engage in air chartering and consolidation activities around the world. We also handle sensitive, defence, medical equipment, perishables and cold chain cargo.

Door-to-door and more...

Services Offered

- Explosives and defense movement
- Global management of import / export freight along with warehousing and transportation activities
- Collaboration with **CFS** and asset heavy players to provide **3PL** activities
- Supporting in specialised turnkey project cargo and complex logistics
- Route mapping and door-delivery for over-dimensional cargo
- Security escorts for sensitive and higher value shipments
- Door-to-door domestic movements

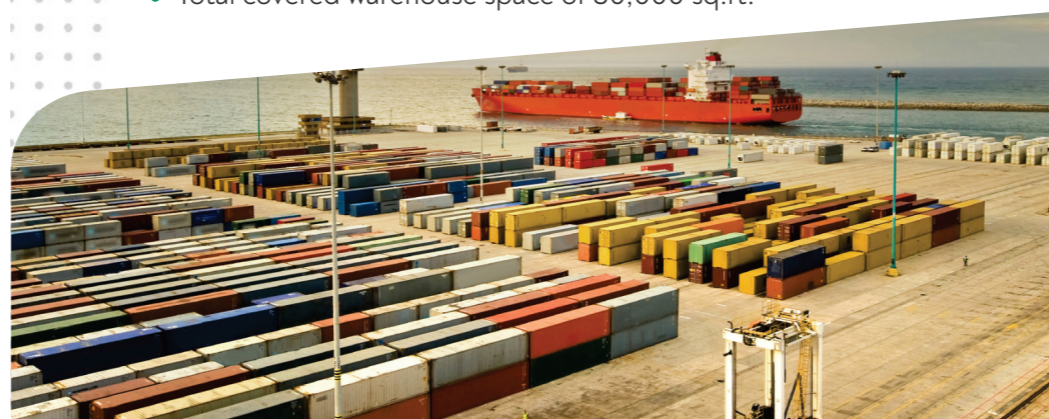

LAND

Road Logistics

We have trans-industrial and multi-modal expertise in inland transportation and freight forwarding, ranging from general cargo / break bulk cargo to project cargo and turnkey execution including warehousing.

Rail Logistics

Balmer Lawrie is registered under LSFTO scheme (liberalized special freight train operator) of Ministry of Railways and is equipped to handle finished goods, steel and other products on pan India basis. Balmer Lawrie aspires to be one of the strongest niche rail logistics players in India.

Multi Modal Logistics Park

Balmer Lawrie has a Multi Modal Logistics Park (MMLP) at Visakhapatnam in a Joint Venture (JV) with Visakhapatnam Port Authority (VPA) for handling Export-Import (EXIM) and domestic cargo. Set up on 53 acres of land, the MMLP has a 1.36 km track for railway connectivity and can handle four rakes in a day. The hub is the only facility to have direct connectivity with the port for seamless movement of laden import and export consignments.

Project Logistics

Balmer Lawrie has vast experience in successfully providing end-to-end Project Logistics. We handle global shipments with special characteristics: heavy transports, oversized cargo, cargo with time and / or security constraints or shipping to remote, difficult-to-access locations. The project team includes a dedicated person who liaises with the customers throughout the entire project.

Chartering Services

Charter services are offered for Aircraft, Ships and Barges. Our immense experience in chartering different kinds of freight enables us to identify the fastest, most reliable and cost effective mode of transport for your cargo. Whether you are shipping across the country, continent or globe, Balmer Lawrie's team of professionals guarantee reliable cargo services regardless of its size, type, origin and destination.

Express Movement Services

We value the importance of time and speed; through our strategic tie-ups with various service providers, we offer movement of express shipment with speed and cost effectiveness being the foremost traits. We also provide appropriate shipping and tracking solutions to suit your specific needs.
